Stratford | College

Co-educational Secondary School

*"A strong sense of
community and a
vibrant teaching
and learning
environment."*

Patricia Gordon
Principal

CLOSE KNIT SCHOOL COMMUNITY

Stratford College's richness of heritage combined with our experience of valuing individuals makes our school truly unique. We welcome all cultural, religious and non-religious groups and foster a true sense of community and belonging, where student learning and social development is seen as paramount.

"Stratford College is a unique school where all cultures and beliefs are welcomed and encouraged."

3rd Year Student

"Stratford College has provided a warm friendly, inclusive environment for our children. The school has a strong sense of community where your child is not a number and there is a strong sense of belonging. Stratford College also provides opportunities for each and every child to contribute and operates an excellent feedback system."

Parents

STUDENT-CENTRED TEACHING AND LEARNING

We provide a vibrant learning environment for students which challenges them to reach their full potential academically. We achieve this through having:

- Small class sizes - very low pupil teacher ratios
- Dynamic and highly motivated teachers
- Extensive subject choices
- Progressive, student-centred learning
- Dedicated sports programmes
- Educational trips in Ireland and abroad
- Music and drama
- Debating e.g. European Youth Parliament and Model United Nations

"I have attributed the success of their schooling to a caring environment with an excellent and committed staff."

Parent

"I simply could not imagine attending a school other than Stratford... fantastic teachers mean learning is engaging and enjoyable and students' input is always appreciated."

6th Year Student

"Our students' results are consistently higher than the national average and the majority progress to third level."

Patricia Gordon, Principal

QUALITY LEARNING ENVIRONMENT

Top class facilities and services include:

- Highest spec computer facilities including digital projectors, e-Macs and computer lab
- Staffed library with fully qualified librarian
- Specialist subject rooms e.g. an art room, science laboratory and music room
- Supervised study
- Timetabled guidance for all senior years
- A very successful Transition Year programme

"The small size makes for a tight knit community and a comfortable, relaxed atmosphere."
